JULY, 2022

TATA MEMORIAL CENTRE

TATA MEMORIAL HOSPITAL
AND

ADVANCED CENTRE FOR TREATMENT, RESEARCH & EDUCATION IN CANCER

Prof. R. A. Badwe MS
Director

04.07.2022

FOREWORD

In my capacity as the Director of Tata Memorial Centre it is heartening to see the work of Parmarth Seva Samiti at Smt. Rupali Devi Madanlal Nuwal Sewa Sadan where accommodation is provided to the poor & needy patients at nominal cost with complementary food.

There is a huge burden of cancer in India with 14.5 lakh new cases being reported each year and projected to increase dramatically. Given the increasing cancer incidence rates, which are expected to grow by almost 70% between 2020 and 2040, India needs to significantly ramp up cancer care infrastructure for timely diagnosis and effective treatment of this disease.

I sincerely appreciate the work being done by Parmarth Seva Samiti by publishing the "CAN CAN" book which should help patients navigate through the complex journey of cancer treatment. I wish them all the best for the work they are doing in the service of Cancer Patients.

Dr. R. A. Badwe
Director
Tata Memorial Centre

विषय: केन-केन (CAN CAN) किताब

मुझे अपार प्रसन्नता हो रही है कि मैं केन-केन (CAN CAN) नामक यह पुस्तक आप लोगों के समक्ष पेश कर पा रहा हूँ। जैसा कि नाम से आप समझ गए होंगे CAN CAN का मतलब कैंसर का इलाज हो सकता है।

भारत में पिछले साल 18 लाख कैंसर ग्रसित नए मरिज हुए, यह संख्या प्रतिवर्ष 10% से बढ़ रही है। टाटा मेमोरियल सेंटर, परेल में प्रतिवर्ष 75000 मरिजों का इलाज होता है इसमें से बहोत सारे मरिज मुंबई के बाहर से आते हैं। टाटा मेमोरियल सेंटर परेल में ही एक नये हॉस्पिटल का निर्माण भी कर रहा है तथा आने वाले 3 वर्षों के बाद टाटा मेमोरियल हॉस्पिटल में 150000 मेरीजों का इलाज होगा। आप समझ सकते हैं कि आने वाले दिनों में कैंसर इलाज के लिए टाटा मेमोरियल हॉस्पिटल के इर्द-गिर्द बहोत सारी सुविधाएं उपलब्ध करानी पड़ेगी जो निम्नलिखत है:

- 1) मरीजों और उनके परिजनों की रहने की सुविधा।
- 2) मरीजों को अस्पताल से आने और लाने की यातायात की सुविधा।
- 3) सहायक गण (स्वयंसेवक) जो की मरीजों और परिजनों को अस्पताल के अंदर पंजीकरण करने, अपॉइंटमेंट लेने तथा इलाज कराने की प्रक्रिया में सहायक हो।
- 4) इलाज कराने लिए धनराशी की व्यवस्था करना।
- 5) इलाज के बाद मरीजों को counselling तथा prosthetic की व्यवस्था करना।

टाटा मेमोरियल सेंटर अपने नये अस्पताल के निर्माण के साथ ही एक धर्मशाला का निर्माण भी कर रही है। मुझे आपको बताते हुये खुशी हो रही है कि परमार्थ सेवा समिति ने इस धर्मशाला निर्माण के लिये एक करोड़ रूपए की राशि का अनुदान टाटा मेमोरियल सेंटर को कर दिया है। इसके अलावा परमार्थ सेवा समिति ने टाटा हॉस्पिटल के नजदिक में ही एक भवन का निर्माण किया है जिसमे 64 बिस्तारों की व्यवस्था है। मुंबई के बाहर से आए हुए मरिज तथा उनके परिजन प्रति दिन सिर्फ ₹150 के खर्च में रह सकते हैं तथा भोजन निःशुल्क है। इस भवन का नाम श्रीमती रूपालीदेवी मदनलाल नुवाल सेवा सदन है।

हम एक बहोत बड़ी योजना लेकर आपके सामने आने वाले है जिसकी तैयारी हम अभी से कर रहे है।

मुझे मालूम है चुनौतियां बहोत बड़ी है और हमको सारे समाज को साथ में लेकर चुनौतियों का सामना करना है। जहां हजारों की संख्या में रहने की जगह चाहिये, खाने का सामान चाहिये, इलाज के लिये लाखों रूपए की धनराशी चाहिये, परमार्थ सेवा समिति जो भी कर रही है वह समुद्र में पानी की एक बूंद है इसलिये हमने एक निश्चय किया और हमारे ट्रस्टी श्री रवि लालपुरिया जी के नेतृत्व में मुंबई में उपलब्ध सारी सुविधाओं के बारे में सारी जानकारियाँ प्राप्त करने के लिए इस पुस्तक को लिखने का प्रयास किया। केन केन नामक इस पुस्तक में कैंसर इलाज के लिए मुंबई में उपलब्ध सारी सुविधाओं का विवरण है जो की एक मरिज के लिए बहोत उपयोगी सिद्ध होगा। हो सकता है कुछ गलतियां रह गई हो जिसके लिये आप हमें क्षमा करना।

आइये सब मिलकर कैंसर की आनेवाली चुनौतियां का सामना करें।

धन्यवाद।

लक्ष्मीनारायण बियानी

अध्यक्ष – Trust Board

21st July, 2022

14th June, 2022

Dear friends,

I am very happy to present to you this book CAN CAN for cancer treatment. Ecosystem in and around Tata memorial hospital. As you all know that TATA Memorial Hospital is the best cancer treatment hospital in India and amongst the top 10 in the world, we want to create facilities around Tata Memorial Hospital which can be used by patients and their relatives. Tata Memorial Hospital is doubling its capacity of beds in next 3 years. We will require a lot of supportive facilities like Shelter Homes, Volunteers, Free Fooding, Free Medicines, Free Transportations and Fund requirements for the treatment of the patients. In this regards our first big initiative was 64 beds residential facility Srimati Rupali Devi Madanlal Nuwal Seva Sadan, Parel. This book is second big initiative which will help the patients from out of Mumbai. We also have started a new initiative of paying up to Rs. 20,000/- per patient to Tata memorial centre for treatment.

I thank Shri Dr. R. A. Badwe - Director, Shri Dr. S. Shrikhande - Dy. Director, Shri Rajendra Patil and all other members of Tata Memorial Hospital for their whole hearted support to us. We will continue to co-operate and bring smile to the needy patients and their relatives.

Thinking you.

Yours truly,

-Manmohan Goenka
President
Managing Committee

21st July, 2022

Dear Friends,

The number of new cancer Patients are rising every year. But our Capacity to treat cancer Patients is not increasing in that proportion. So we all have to cooperate and develop a system where in India as country can face up to challenges of cancer treatment in the coming years. With this motive in mind we are coming out with this book which enlists all the facilities which are available in Mumbai for patients and their relatives who come to Tata memorial hospital for treatment of cancer. This is a Himalayan task but we are attempting to face up to the challenges and try to help the society at large. We have many programs which we will roll out in the coming years some of which are:

- 1) Education for prevention of cancer
- 2) Lifestyle changes
- 3) Cancer treatment
- 4) Extending this facility to other centre of Tata memorial like Tata memorial is building a hospital of 900 odd beds at Kharghar, which will also require a lot of subsidiary facilities. We want to replicate the facilities there also.
- 5) Last but not the least the counselling of patient because once the patient is treated he or she requires a lot of counselling to integrate with the society and also to lead a very healthy life. He requires a lot of proper fooding and exercises, which is an integral part of cancer treatment.

I have also written a piece on a great cancer survivor and my dear friend Mr. Prakash Agarwal. Prakash Agarwal is Chartered Accountant who went through the whole pain of cancer treatment and came out triumph and today he is leading a very healthy lifestyle. He is a marathon runner and very successful in the corporate world. You must read his compelling and inspirational story so that you can spread this success story to the world.

Let us come together to fight this menace of cancer in our society.

Thanking you.

- **Ravie Lalpurria**
Trustee & Gen. Secretary
Editor

कैंसर को पछाड़ने कि जीवंत, सत्य कहानी

मानव ईश्वर की सबसे सर्वोत्तम रचना है। अपनी भौतिक विशेषताओं के कारण नहीं, बल्कि इसलिए कि यह एकमात्र ऐसी रचना है जिसमें सोचने, विश्लेषण करने, प्रतिबिंबित करने और कार्य करने की शक्ति है। इन शक्तियों के साथ वह सबसे बड़ी विपत्ति को दूर कर सकता है और चुनौतियों को अवसर में बदल सकता है - कुछ पहले से बेहतर बनाने के लिए। मनुष्य यदि ठान लें और उस दिशा में प्रयास करें तो असंभव लगने वाली चीजों को प्राप्त कर सकते हैं। दुनिया में ऐसे अनगिनत उदाहरण हैं।

ऐसा ही एक छोटा सा उदाहरण मुंबई में रहने वाले 44 वर्षीय **प्रकाश अग्रवाल** का है, जिन्होंने जीवन में कुछ गंभीर बाधाओं को पार किया है। प्रकाश, शिक्षा द्वारा एक चार्टर्ड एकाउंटेंट, एक वरिष्ठ वित्त पेशेवर है, भारत में सबसे बड़ी रेटिंग एजेंसियों में से एक में काम करता है (इंडिया रेटिंग्स, फिच रेटिंग्स की एक सहायक, एक वैश्विक रेटिंग एजेंसी)। उनकी कहानी एक ऐसी कहानी है जहां भाग्य और इच्छाशक्ति के संयोजन ने तर्क को

चुनौती दी है। प्रकाश एक उत्साही मैराथन धावक, साइकिल चलाने के शौकीन हैं, ट्रेकिंग पसंद करते हैं, कई खेलों का आनंद लेते हैं और एक संपूर्ण पारिवारिक व्यक्ति हैं। उनकी वर्तमान जीवन शैली को देखते हुए, यह विश्वास करना मुश्किल है कि इस व्यक्ति को दो जानलेवा दुर्घटनाएँ हुई थीं, जो कम नश्वर लोगों की इच्छाशक्ति को तोड़ सकती थीं।

में 2012, प्रकाश वीं मंजिल की छत से गिरने वाली ऊंची इमारत की एक नली में गिर गया और 14 आठवीं मंजिल पर आ गिरा, एक असामान्य रूप से रखे एयर कंडीशनर के कंडेनसर द्वारा चमत्कारिक रूप से बचाए जाने से पहले। उनके कंधे से पैर की उंगलियों तक कई फ्रैक्चर हुए, और फिर भी उन्होंने खुद को तैयार किया और खुद को वाहिनी से बाहर निकाला। उस दुर्घटना के कारण वह महीनों तक बिस्तर पर ही पड़ा रहा और उसके पूरे शरीर पर मलहम लगा रहा। उत्तरजीविता एक प्राथमिकता बन गई क्योंकि डॉक्टरों ने संदेह व्यक्त किया कि क्या वह फिर कभी ठीक से चल पाएगा। अच्छा नहीं। उसकी और भी योजनाएँ थीं। लगभग महीने की दुर्घटना के बाद 14, जनवरी में 2014, प्रकाश ने घंटे 2 किलोमीटर की दूरी पर 21 से भी कम समय में चलने वाला एक लोकप्रिय खेल, अपनी पहली हाफ मैराथन दौड़ लगाई।

लेकिन जैसा कि वे कहते हैं, नियति का अभिनय करने का एक रहस्यमय तरीका है। जब सब कुछ ठीक चल रहा था, जुलाई में 2015, प्रकाश को कैंसर के उन्नत चरण का पता चला था। (लिम्फोमा) भारत के प्रमुख कैंसर उपचार अस्पताल, टाटा मेमोरियल अस्पताल के एक अस्पताल के बिस्तर पर लेटे हुए, कैंसर के एक उन्नत चरण के लिए इलाज चल रहा था (लिम्फोमा), उनके विचार उनके जीवित रहने की संभावनाओं के इर्दगिर्द घूम रहे थे-, और वह सोच रहे थे कि वह अपने बच्चे कि देखभाल कैसे करेंगे, अपनी पत्नी और माता - पिता बच्चे कि देखभाल कैसे कर सकेंगे।

उन्होंने टाटा में सात महीने का इलाज किया, जिसमें देश में कैंसर के इलाज के लिए शायद सबसे अच्छे डॉक्टर और सहायक कर्मचारी हैं, जो किमोथेरेपी और विकिरण के कई दौर से गुजर रहे हैं। पुनर्वासि दर्दनाक और धीमा था। बीमारी से संबंधित बाधाओं के अलावा, प्रकाश को आंतरिक और बाहरी मनोवैज्ञानिक बाधाओं को भी दूर करना पड़ा। प्रकाश ने अपने लिए छोटेछोटे लक्ष्य निर्धारित किए - और दृढ़ संकल्प के साथ कड़ी मेहनत करते हुए अपने लक्ष्यों को पूरा करते हुए लक्ष्य को ऊपर उठाते रहे। इस यात्रा में, उनकी सबसे बड़ी ताकत और प्रेरणा उनकी पत्नी पूजा थीं, जो पहाड़ कि तरह खड़ी थीं और लगातार उनका समर्थन करती थीं और उन्हें आगे बढ़ाती थीं। उसने उसे आश्चर्य किया कि यह एक अस्थायी चरण था और उसने कभी अपनी कमजोरी नहीं दिखाई।

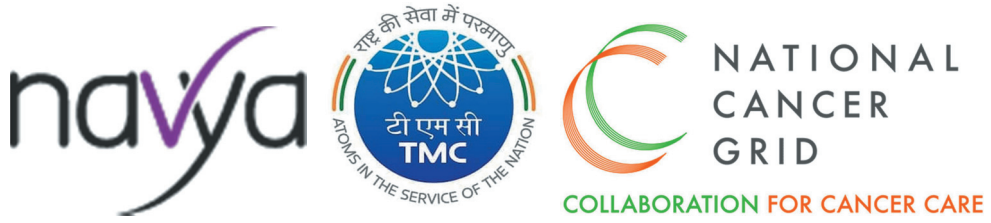

कदम दर कदम प्रकाश ने अपनी ताकत वापस पा ली। शुरू में तो बस सामान्य होने का लक्ष्य था, लेकिन उसने सुधार करना शुरू कर दिया और वह लिफाफे को आगे बढ़ाता रहा। उन्होंने एक पूर्ण मैराथन दौड़ने के लिए खुद के लिए एक बड़ी चुनौती स्थापित की, किमी की भीषण दौड़ जो एक 42 व्यक्ति को शारीरिक और मानसिक दोनों रूप से परखती है। लगभग दो वर्षों के समय में, जनवरी में 2019, प्रकाश ने साढ़े चार घंटे से भी कम समय में किमी की दूरी तय की और अगले वर्ष उसी 42 मैराथन और मैराथन दौड़ना जारी रखता-अल्ट्रा घंटे से भी कम समय में पूरा किया। प्रकाश 4 दूरी को है औएक फिटनेस उत्साही है। प्रकाश को अपनी यात्रा और अनुभव साझा करना पसंद है और वह कई लोगों के लिए प्रेरणा का काम करता है। बहुत से लोगों को उनकी कहानी से प्रेरणा मिलती है जो उन्हें अपनी चुनौतियों से पार पाने में मदद करती है।

प्रकाश का जन्म बंगाल के इस्पात शहर दुर्गापुर में एक राजस्थानी परिवार में हुआ था और उन्होंने अपनी प्रारंभिक शिक्षा दुर्गापुर में की थी। सीए के अलावा, प्रकाश ने सीएफए (चार्टर्ड वित्तीय विश्लेषक) की है की डिग्री भी पूरी (वित्तीय जोखिम प्रबंधक) और एफआरएम, दोनों वित्त पेशेवरों के लिए अत्यधिक सम्मानित वैश्विक प्रमाणन हैं।

प्रकाश के दौड़ने के जुनून ने उनकी पत्नी पूजा, एक साथी चार्टर्ड एकाउंटेंट को भी उत्साहित किया है। । अस्थमा की मरीज होने के बावजूद, जिसे कुछ सीढ़ियां चढ़ना चुनौतीपूर्ण लगता है, वह कई मैराथन दौड़ने वाली एक पूर्ण धावक बन गई है। वह पुणे और मुंबई के दो शहरों के बीच लगभग मील की 100 दूरी भी चल चुकी हैं

प्रकाश को पूछने पर कि आप यह सब कैसे कर पाये, उनका जवाब होता है, "इच्छाशक्ति और द्रढ़ संकल्प यह दो भावनाये कूट कूट भरी हो तो कैंसर को पछाड़ना बहोत आसान है ।

-रवि लालपुरिया

Navya empowers every cancer patient, caregiver, and physician with timely, personalized, and affordable treatment plans based on clinical evidence and consensus-driven, real-time expertise of Tata Memorial Centre and National Cancer Grid, a network of India's leading expert cancer centers.

नव्या एक वैबसाइट है जिसके सहारे आप टाटा मेमोरियल सेंटर से ऑनलाइन कनेक्ट हो सकते हैं। नव्या प्रत्येक कैंसर रोगी, देखभाल करने वाले और चिकित्सक को समय पर, व्यक्तिगत और सस्ती उपचार योजनाओं के साथ सशक्त बनाती है। इसके द्वारा आप टाटा मेमोरियल हॉस्पिटल के डॉक्टरों से इलाज के सुझाव ले सकते हैं। मुंबई आने के कष्ट से बचने के लिए यह बहुत सरल उपाय है। नव्या नेशनल कैंसर ग्रिड और टाटा मेमोरियल सेंटर के साथ मिलकर कैंसर पीड़ितों को बहुत ही अच्छी गुणवत्ता के सुझाव ऑनलाइन करा सकता है।

PARMARTH PARIVAR SAMITI

3rd Floor, Sobo Central, Madan Mohan Malviya Road, near Haji Ali, Mumbai-400 034
+91 - (022) - 67478119
Email-Id: parmarthsevasamiti@gmail.com

Parmarth Seva Samiti was founded in 2008 as a registered charitable trust by some philanthropist in Mumbai. We have 460 members. We have been doing social work from last 14 years in the field of Medical, Education and social activities for example we distribute 10,000 food grain packets every year in Mumbai to needy and underprivileged on the occasion of Deepawali. We organize blood donation camp regularly throughout the year and our blood donation camp on 26/11 is an annual event. Similarly we give school fees to the school of needy students.

Medical Field:

1. We have started a residential facility (Seva Sadan) **Shrimati Rupalidevi Madanlal Nuwal Seva Sadan** at Parel near Tata Memorial Center for the needy cancer patients and their relatives who come from out of Mumbai for treatment at Tata Memorial Center. It has 64 beds. Patients can donate upto Rs. 150/- per day at their will and food is totally free as we have created special fund **Shrimati Shantidevi Subhakaranji Goenka Cancer Nutrition fund**. This facility is giving lot of relief because it is very near to Tata Memorial Center.

We have started new initiative under the name of **PF Jhunjunwala Cancer Medical Fund** in which we are paying up to rupees 20000 per patients to Tata Memorial Center for treatment of Cancer of needy patients.

We are also planning a very big initiative as we want to create a complete ecosystem for cancer treatment in Mumbai.

2. We have undertaken a very big project for construction of a Chemo Therapy Day Care Centre with a capacity of 500 Chemo Therapy in a single day. Today TATA Memorial Hospital ha capacity of 500 Chemo Therapy per day. So, we will double the capacity for Chemo Therapy in Tata Memorial Hospital. We will be constructing a 16th floor building totally funded by us at a outlay of Rs. 25.00 crore. It will be named Parmarth Chemo Therapy Day Care Centre run by Tata Memorial Centre.

3. We have committed a donation of Rs. 1.00 crore for 1 floor in the new Dharmashala building of Tata Memorial Centre at Parel. Out of this one crore, we have already paid Rs.50.00 lakhs in March, 2021 to Tata Memorial Centre and balance Rs. 50.00 Lakhs payable by us on the completion of construction work.

4. **Parmarth Chikitsalay:** We are running a dispensary with renowned doctors of suburban Bombay for the needy & poor families of suburban. We are only charging Rs. 10 per patients for registration. The Address of chikitsalay is A, 3/1, Mahesh Nagar, S. V. Road, Goregaon (West), Mumbai 400062. It is helping the poor patients immensely and Drivers Rickshaw wala, House Help, Daily Wage earner are getting lots of benefit from our this facility. We are also distributing free medicine at this Centre. We are planning another Centre in Bhayander & Thane.

5. **Blood Donation Camps:** Way back in year 2009, we started our blood donation initiative on 26/11 a 10 centers in Mumbai. The main event was held at Mumbai V.T. Station and it was inaugurated by P. Chidambaram. Ever since we have been regularly doing blood donation camp throughout the year and in partnership with SBTC.

6. **Dialysis Center:** We have a tie-up with a Dialysis Center VINUS MEDICAL CENTRE, Near Nana Nani Park, Unnat Nagar, S.V. Road, Goregaon (West), Mumbai 400062. We provide funds to the above Dialysis Center for free dialysis of poor patients.

Education:

1. Right now we are giving school fees of around 200 children per year to their respective school.

Our Next Project:

We want to construct a Hostel for Girls for CA education in Mumbai. As we all know Mumbai is financial capital of India. Some of the biggest corporations in India are in Mumbai, so a girl from out of Mumbai who wants to pursue CA Education in Mumbai for articleship training, does not get proper residential facility. We want to provide residential facility at very reasonable cost to such needy girl students.

We want to construct a building of 30000 sq. ft. carpet area in Mumbai preferably in Andheri for 200 girls Hostel. The preference for Andheri is due to the reason that all the top

Audit firms are located in Andheri. The cost of such construction along with furnishing will be around Rs. 20.00 crore. We are happy to inform you that we have funds to the tune of Rs. 15.00 crore in our bank account. We can raise the balance fund from our Trustees and other philanthropist of Mumbai.

Social Activities :

1. Distribution of Food Grains: On the occasion of Diwali we distribute food grain packets of 6 kg each to 10000 homes of Mumbai. These are distributed in Kalbadevi, Thane, Andheri East, Malad, Juhu, & Bhayander. It is called “ Deepawali ka Mitha Upahar.”
2. Food Grain distribution during COVID: We have distributed food grains worth Rs. 1 crore during the 1st lockdown of COVID from Vasai to Churchgate. Our volunteers have distributed day and night to the needy and underprivileged. We were so much appreciated for our work. Our Chairman Shri Laxminarayan Biyani received CRONA worrier Award at the hands of Honorable Governor of Maharashtra in Raj Bhawan on 29th November, 2020.
3. We are distributing food grains, cloths, utensils etc. to adivasi villages of Palghar on the occasion of Maker Sankranti every year. This is our annual Event.

Parmarth Ratna Award:

We have been bestowing Parmarth Ratna Award during Diwali Sneha Sammelan every year. Our recipients of Parmarth Ratna Award have been:

1. Shrimati Rajshri Birla
2. Shri Sajjan Jindal
3. Shri M.P. Taparia
4. Shri S.S. Mundhra
5. Dr. Shri Sudhanshu Bhattacharya
6. Late Shri Bhanwarlal ji Jain Shrimati Amla Ruia
7. Dr. Shri Ramakant Panda (Asian Heart)

निःशुल्क चिकित्सा हेतु एक नयी पहल

प्रिय साथियों,

मैं हमेशा सोचा करता था कि हमारे समाज के गरीब वर्ग के लोग अपना इलाज कैसे कराते होंगे। मेरा अनुभव है कि साधारण वर्ग को अपना इलाज करने में बहुत परेशानियों का सामना करना पड़ता है। अच्छी से अच्छी सुविधा के साथ इलाज का मतलब है कि अच्छे से अच्छे डॉक्टर उनका इलाज करें और इलाज के लिए जरूरी दवाइयां उन्हें कम से कम कीमत में मिल सकें ताकि उनका इलाज अच्छी तरह हो सके। इसी सोच के साथ परमार्थ सेवा समिति के सानिध्य में मैंने अपने परिवारिक ट्रस्ट **रामेश्वरीदेवी शंकरलाल**

हुरकट चैरिटेबल ट्रस्ट साथ मिलकर मालाड पश्चिम एसवी रोड स्थित महेश नगर में **रामेश्वरीदेवी शंकरलाल हुरकट चैरिटी पोलीक्लीनिक** नाम से एक औषधालय ४ दिसंबर २०१९ से शुरू किया जो तब से आज तक लगातार चल रहा है। प्रयोग के तौर पर मेरी यह पहल सफल रही जिससे मुझे बड़ी प्रसन्नता के साथ प्रेरणा भी मिली है कि मैं आप लोगों के सामने इस सफल प्रयोग के बारे में कुछ बताऊं। इस पोलीक्लीनिक में मुंबई के पश्चिमी उपनगर के एक से बढ़कर एक आला डॉक्टर अपनी सेवायें निःशुल्क उपलब्ध कराते हैं। वे सप्ताह में एक या दो बार आते हैं। ख़ास बात यह है कि जो डॉक्टर अपने निजी क्लीनिक में एक मीटिंग का दो हजार रूपये से भी ज्यादा फीस लेते हैं वे इस पोलीक्लीनिक में अधिकतम २०० रूपये प्रति मरीज अपनी सेवायें दे रहे हैं। प्रसिद्ध स्त्री रोग विशेषज्ञ डॉ. राजेंद्र सरावगी और नाक-कान गला विशेषज्ञ डॉ. बीएम खंडेलवाल सहित विभिन्न बीमारियों से संबंधित विशेषज्ञ डॉक्टरों यहाँ अपनी सेवाएं दे रहे हैं जिनकी सूची हमने इसके अगले पन्ने पर दी है। मैं आप सब लोगों से अनुरोध करता हूँ कि आप इसका ज्यादा से ज्यादा प्रचार करें ताकि संबंधित जरूरतमंद लोग यहाँ उपलब्ध इलाज की सुविधा का लाभ ले सकें। जैसे आप के घर में काम करने वाले घरेलू सेवकों से लेकर झोपड़पट्टियों में रहनेवाले गरीब लोगों को तक आप इस सुविधा के बारे में जानकारी दें ताकि वे जरूरत के समय इस चिकित्सा सुविधा का लाभ हो सके। इस सफल प्रयोग से साथ ही साथ हम अब इस तरह के परमार्थ औषधालय अनेक जगह मुंबई शहर में खोलने पर विचार कर रहे हैं। हम उपचार के लिए नाममात्र के पंजीकरण शुल्क में रोगी का पंजीकरण (रजिस्ट्रेशन) करते हैं और उसके बाद कोई शुल्क नहीं लेते हैं।

आपका

रामविलास हुरकट (माहेश्वरी)

प्रधान न्यासी

रामेश्वरीदेवी शंकरलाल हुरकट चैरिटेबल ट्रस्ट, मुंबई
